UK + Europe: This summer and fall, make your way around the UK and mainland Europe by high-speed rail. [Eurostar](#) is offering savings up to 20% in Standard Premier and 30% in Business Premier. Travelers can book tickets through June 19, 2018, for travel from July 16-November 1, 2018. And for just \$49, travelers under 26 years of age can add an extra city into a European summer break. Kenya: Let's start with the fact that we had never even heard of [the Maasai Olympics](#), a biennial event that will take place this December, with sporting events like track, spear-throwing, and traditional Maasai high jump — all of which benefits wildlife and habitat conservation.
